

SELECT MANAGEMENT COMPANY

This email publication from Select Management Company is designed to provide Board professionals with information about the HOA industry and other related topics.

FREE NET MEETINGS FROM ANY LOCATION!

Select Management Company now offers free net meeting capabilities to our Board's. Just log in with your assigned user information and view meeting packages and participate no matter where you are! [CONTACT US FOR MORE INFORMATION!](#)

IMPROVE COLLECTIONS WITH ONLINE BALANCE NOTICES

By reaching out to owners electronically through email blast reminders and posting signs at community entrances, we can work together to ensure owners are well aware of their responsibility. Select Management works with our communities to help achieve these goals and with our interactive community websites where Boards have the ability to send reminders to owners including their balance detail. For more, [CLICK HERE](#)

Email Balance Notifications

Bulletin Enhancement for Select Websites! - If your Association has an interactive Select website you now have a new "Send To" option for e-Mail Bulletins that includes Account Balance. Administrators can send a special email bulletin to residents with a balance OVER a certain amount - you decide the amount.

FREE BOARD TRAINING—NEW WEBINAR'S

Want more opportunities to educational resources about Association matters? Look no further! Through CAI online webinar sessions, Select Management Company is now providing the opportunity for Board's to join us in being more informed and keeping track of important topics in the HOA industry. Please see the listing below for archived and upcoming events that we will be hosting. Seating is limited so reserve yours now! Make a reservation: customerservice@selectmgco.com
